Were the course objectives met?
YES - some good topics, different than normal.

General comments: More separate rows of seats more - don't need so much empty space in back of room, hard to get past people - especially when carrying drinks.

Future speaker or topic suggestions: I went to a seminar a few years back + the speaker gave really great excel tips (not the more usual ones of today). I think he was mr. Excel.com. Very entertaining + Good tips.
THANKS FOR THE COFFEE AT THE BREAKS!
