Were the course objectives met?

Richard Swed

On identity theft I would have liked specific info on how to combat ID theft. His presentation was all intro + no hard solutions or where to go for solutions. No info on his company.

The food presented gets worse + worse. Breakfast was stale pastries, coffee + supplies ran out at break in the morning. Lunch was bad. Chicken was not cooked through. Too heavy!!!
 Raise the dues to provide decent food. What happened to the savings from not doing the notebooks?

Future speaker or topic suggestions:

Have Krista back. She was great.
