IMPORTANT ACCOUNT INFORMATION

We're updating our Online Access Agreement effective September 30, 2020. To see what is changing, please visit wellsfargo.com/online-banking/updates.

Effective June 20, 2020, we are updating the Funds Availability Policy in our Deposit Account Agreement as follows:

In the "Longer delays may apply" section, when a longer delay applies, we are making the following changes:

- The amount of your deposit that may be available on the first business day after the day of your deposit is increasing from \$200 to \$225.
- We are changing the check deposit amount exception that may lead to a delay of generally no more than seven business days from "You deposit checks totaling more than \$5,000 on any one day" to "You deposit checks totaling more than \$5,525 on any one day."

In the "Special rules for new accounts" section, setting forth special rules that apply during the first 30 days your account is open, we are updating the amounts in the two bullets in the second paragraph from \$5,000 to \$5,525 and from \$200 to \$225 as follows:

- The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.
- The excess over \$5,525 and funds from all other check deposits will be available on the seventh business day after the day of your deposit. The first \$225 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.

Effective 05/22/2020, the Night Depository Agreement was amended to include: "Deposits placed into the night depository are considered received by us when the bag is removed from the night depository and is available to us for processing. We will credit the deposit to your account no later than the next business day."

No action is required on your part and there is no impact to the current night depository deposit process.

Reminder: Wells Fargo charges a \$5 fee for each Wells Fargo Debit, ATM, or EasyPay Card transaction at non-Wells Fargo ATMs outside of the U.S. or U.S. territories. Fees from non-Wells Fargo ATM owner/operators may also apply. These fees may not be applicable to all customers and may vary depending on the type of account you have. For more details, refer to the applicable fee disclosures for your account.

Effective August 17, 2020, the fee for stop payment requests on checks drawn on your account, or on pre-authorized (Automated Clearing House) items, will be \$31 per item. The fee may not be applicable to all customers depending on the type of account you have. For more details, refer to the Fee and Information Schedule applicable to your account.
