IMPORTANT ACCOUNT INFORMATION:

Your Wells Fargo Business Choice Checking account is changing.

Effective with the fee period beginning after October 8, 2020, the current options to avoid the \$14 monthly service fee, as displayed in the monthly service fee summary section of this statement above, will no longer be available. Once these changes are effective, the monthly service fee can be avoided with ONE of the following new options each fee period:

- Maintain a \$500 minimum daily balance
- Maintain a \$1,000 average ledger balance

If you do not meet one of the options above, the monthly service fee will be charged for fee periods ending on or after November 9, 2020.

In addition, effective with the fee period beginning after October 8, 2020, other features of your account will change:

- Your account will continue to include 200 Transactions at no charge each fee period. The fee for Transactions over 200 each fee period remains at \$0.50 each.
- The definition of Transactions is changing to include all checks deposited and all withdrawals or debits posted to your account, including paper and electronic, except debit card purchases and debit card payments.

Fee Period: The fee period is the period used to calculate monthly fees. Your statement includes a monthly service fee summary with the dates of the fee period. The monthly service fee summary is also available through Wells Fargo Business Online® or Wells Fargo Mobile®.

What remains the same:

- You can continue to use your debit card.
- The Business Fee and Information Schedule and Deposit Account Agreement, as amended, continue to apply.

If you have questions about these changes, please contact your local banker or call the number listed on this statement.

Thank you for banking with Wells Fargo. We appreciate your business.

IMPORTANT ACCOUNT INFORMATION

Regulation D and Wells Fargo withdrawal and transfer restrictions on all savings accounts have been discontinued.

The Federal Reserve Board recently removed Regulation D's six transaction limit on certain withdrawals and transfers from savings accounts, and allowed banks to suspend enforcement of that limit at each bank's discretion. Your Deposit Account Agreement states that both Regulation D and Wells Fargo limit certain types of withdrawals and transfers from a savings account to a combined total of six per monthly fee period. This message is to advise you that these limits were removed in May 2020. We have also discontinued charging the related excess activity fees, and have ceased account conversions and account closures related to the six withdrawal or transfer limit.

While it will take a period of time to update our disclosures and other materials, the changes described above apply to your account immediately and allow you to make withdrawals and transfers, including online and mobile, from your savings account without regard to the previous limit of six transactions. If you have any questions about your account, please call the phone number at the top of your statement or visit your Wells Fargo branch.
