Extracurricular Activities – Star Mays

I am an active member of the Old Dominion University chapter of Beta Alpha Psi. Through this organization I have had the opportunity to volunteer within the Hampton Roads Community. My volunteer activities include the WHRO Public Radio pledge drive and the Virginia Peninsula Food Bank. I am also an active member of the ODU Managerial Accounting and Auditing Club (MAAC).

Faculty Recommendation – Star Mays

Dr. Park, Accounting Professor at Old Dominion University, has submitted my letter of recommendation separate from this packet.

To Whom It May Concern:

I have had the pleasure of knowing Star Mays for the last twelve years; five of those years as her employer at Goody's Deli and Pub. She has been a tremendous employee and an asset to our company. I would like to take this opportunity to recommend Star for your scholarship program.

Star is a dedicated employee as well as student, and I feel confident that she will continue to succeed in her studies. Star is a dependable employee and thus far her job performance has been exemplary. At work, she has proven to be a take-charge person whom I can rely on in my absence.

Star has successfully demonstrated leadership ability by providing useful suggestions to improve the business and increase sales. Her advice has been a great help to me. In addition, she is well-liked by the many customers that visit the establishment, many of whom have taken time to share their comments with me regarding her pleasant attitude.

It is for these reasons that I offer high recommendations for Star without reservation. Her drive and abilities will truly be an asset to your program, and the scholarship opportunity is well deserved. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,

Eric Goodman
Owner, Goody's Deli and Pub

Star Mays

I am not the traditional college student. Three years ago, after enjoying a career in the restaurant and hospitality business, I decided to make a life change and earn my Bachelor's Degree in Accounting. I made the decision to devote myself full-time to my education, and reduce my working hours to part-time. I am currently relying on Federal Pell Grants, Commonwealth Grants, and Federal student loans to fund my education. While obtaining my Associate's degree at Thomas Nelson Community College, I did receive a scholarship from Ferguson Enterprises to fund my summer school classes.

The end goal of my education is to obtain my CPA license and pursue a career in public accounting. I have decided public accounting is right for me for many reasons. Primarily, I have shown an aptitude for the accounting field. I am thorough and honest. Additionally, my past experience in the restaurant business has given me great communication and client relationship skills that will be important for client retention and cultivating a client base.

I believe I should be awarded this scholarship due to the hard work and dedication I have shown in my education. I work very hard to maintain a 4.0 average, and I am proud of my achievements. I try to inspire others academically. I host a study group for my accounting classes each week in the library so we can work together to understand the concepts presented in class. I take my academic career very seriously, and will not disappoint you.

I am very fortunate to have the opportunity to pursue a career I am passionate about, and I want to be able to complete my education. This scholarship will assist me in gaining both my Bachelor's degree and the 150 credit hours required to take the CPA exam. To achieve my goals, I will have to take more credit hours than my loan money will provide for and will be left to fill the gap. Thank you for your consideration.
