APPENDIX V (SAMPLE CONFLICT OF INTEREST POLICY)

Appendix A: Sample Conflict of Interest Policy

Note: Items marked Hospital insert - for hospitals that complete Schedule C are intended to be adopted by hospitals.

Article I Purpose

The purpose of the conflict of interest policy is to protect this tax-exempt organization's (Organization) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II Definitions

1. Interested Person

Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

[Hospital Insert - for hospitals that complete Schedule C

If a person is an interested person with respect to any entity in the health care system of which the organization is a part, he or she is an interested person with respect to all entities in the health care system.]

2. Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
- **b.** A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III Procedures

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- **b.** The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy

- a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- **b.** If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV Records of Proceedings

The minutes of the governing board and all committees with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
- **b.** The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V Compensation

- a. A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- **b.** A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- c. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

[Hospital Insert - for hospitals that complete Schedule C

d. Physicians who receive compensation from the Organization, whether directly or indirectly or as employees or independent contractors, are precluded from membership on any committee whose jurisdiction includes compensation matters. No physician, either individually or collectively, is prohibited from providing information to any committee regarding physician compensation.]

Article VI Annual Statements

Each director, principal officer and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflicts of interest policy.
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and
- **d.** Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Article VII Periodic Reviews

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Article VIII Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, the Organization may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

Beginning January 1, 2011, you must use electronic funds transfer to make all federal tax deposits (such as deposits of employment tax, excise tax, and corporate income tax). Forms 8109 and 8109-B, Federal Tax Deposit Coupon, cannot be used after December 31, 2010. Generally, electronic fund transfers are made using the Electronic Federal Tax Payment System (EFTPS). You also may arrange for your financial institution to initiate a same-day wire on your behalf. EFTPS is a free service provided by the Department of Treasury. General Instructions

Use these instructions to complete Form SS-4, Application for Employer Identification Number (EIN). Also see Do I Need an EIN? on page 2 of Form SS-4.

Purpose of Form

Use Form SS-4 to apply for an EIN. An EIN is a nine-digit number (for example, 12-3456789) assigned to sole proprietors, corporations, partnerships, estates, trusts, and other entities for tax filing and reporting purposes. The information you provide on this form will establish your business tax account.

An EIN is for use in connection with your business activities only. Do not use your EIN in place of your social security number (SSN).

Reminders

Apply online. Generally, you can apply for and receive an EIN on IRS.gov. See How To Apply, later.

This is a free service offered by the Internal Revenue Service at IRS.gov.

File only one Form SS-4. Generally, a sole proprietor should file only one Form SS-4 and needs only one EIN, regardless of the number of businesses operated as a sole proprietorship or trade names under which a business operates. However, if a sole proprietorship incorporates or enters into a partnership, a new EIN is required. Also, each corporation in an affiliated group must have its own EIN.

EIN applied for, but not received. If you do not have an EIN by the time a return is due, write "Applied For" and the date you applied in the space shown for the number. Do not show your SSN as an EIN on returns.

If you do not have an EIN by the time a tax deposit is due, send your payment to the Internal Revenue Service Center for your filing area as shown in the instructions for the form that you are filing. Make your check or money order payable to the "United States Treasury" and show your name (as shown on Form SS-4), address, type of tax, period covered, and date you applied for an EIN.

Election to file Form 944. Eligible employers may now elect to file Form 944 annually instead of Forms 941 quarterly. See Line 14. Do you want to file Form 944? on page 5 for details.

Electronic filing and payment. Businesses can file and pay federal taxes electronically. Use e-file and the Electronic Federal Tax Payment System (EFTPS).

- For additional information about e-file, visit IRS.gov.
- For additional information about EFTPS, visit www.eftps.gov or call EFTPS Customer Service at 1-800-555-4477. 1-800-733-4829 (TDD), or 1-800-244-4829 (Spanish).

Federal tax deposits. New employers that have a federal tax obligation will be pre-enrolled in EFTPS. EFTPS allows you to make all of your federal tax payments online at www.eftps.gov or by telephone. Shortly after we have assigned you your EIN, you will receive instructions by mail for activating your EFTPS enrollment. You will also receive an EFTPS Personal Identification Number (PIN) that you will use when making your payments, as well as instructions for obtaining an online password.

For more information on federal tax deposits, see Pub. 15 (Circular E), Employer's Tax Guide.

How To Apply

You can apply for an EIN online, by telephone, by fax, or by mail, depending on how soon you need to use the EIN. Use only one method for each entity so you do not receive more than one EIN for an entity.

If requested by an IRS representative, mail or fax the signed Form SS-4 (including any third party designee authorization) within 24 hours to the IRS address provided by the IRS representative.

sheet.

Fax. Under the Fax-TIN program, you can receive your EIN by fax within 4 business days. Complete and fax Form SS-4 to the IRS using the appropriate Fax-TIN number listed below. A long-distance charge to callers outside of the local calling area will apply. Fax-TIN numbers can only be used to apply for an EIN. The numbers may change without notice. Partnerships. Enter the legal name of the partnership as it appears in the partnership agreement.

If line 3 is completed, enter the address for the executor, trustee or "care of" person. Generally, this address will be used on all tax returns.

If the entity is filing the Form SS-4 only to obtain an EIN for the Form 8832, use the same address where you would like to have the acceptance or nonacceptance letter sent.

File Form 8822, Change of Address, to report any subsequent changes to the entity's mailing address.

Lines 5a-b. Street address. Provide the entity's physical address only if different from its mailing address shown in lines 4a-b. Do not enter a P.O. box number here. If the entity's address is outside the United States or its possessions, you must enter the city, province or state, postal code, and the name of the country. Do not abbreviate the country name.

Line 6. County and state where principal business is located. Enter the entity's primary physical location.

Lines 7a-b. Name of responsible party. Enter the full name (first name, middle initial, last name, if applicable) and SSN, ITIN (individual taxpayer identification number), or EIN of the entity's responsible party as defined below.

Responsible party defined. For entities with shares or interests traded on a public exchange, or which are registered with the Securities and Exchange Commission, "responsible party" is (a) the principal officer, if the business is a corporation, (b) a general partner, if a partnership, (c) the owner of an entity that is disregarded as separate from its owner (disregarded entities owned by a corporation enter the corporation's name and EIN), or (d) a grantor, owner, or trustor, if a trust.

For all other entities, "responsible party" is the person who has a level of control over, or entitlement to, the funds or assets in the entity that, as a practical matter, enables the individual, directly or indirectly, to control, manage, or direct the entity and the disposition of its funds and assets. The ability to fund the entity or the entitlement to the property of the entity alone, however, without any corresponding authority to control, manage, or direct the entity (such as in the case of a minor child beneficiary), does not cause the individual to be a responsible party.

If the person in question is an alien individual with a previously assigned ITIN, enter the ITIN in the space provided and submit a copy of an official identifying document. If

necessary, complete Form W-7, Application for IRS Individual Taxpayer Identification Number, to obtain an ITIN.

You must enter an SSN, ITIN, or EIN on line 7b unless the only reason you are applying for an EIN is to make an entity classification election (see Regulations sections 301.7701-1 through 301.7701-3) and you are a nonresident alien or other foreign entity with no effectively connected income from sources within the United States.

Lines 8a-c. Limited liability company (LLC) information. An LLC is an entity organized under the laws of a state or foreign country as a limited liability company. For federal tax purposes, an LLC may be treated as a partnership or corporation or be disregarded as an entity separate from its owner.

By default, a domestic LLC with only one member is disregarded as an entity separate from its owner and must include all of its income and expenses on the owner's tax return (for example, Schedule C (Form 1040)). Also by default, a domestic LLC with two or more members is treated as a partnership. A domestic LLC may file Form 8832 to avoid either default classification and elect to be classified as an association taxable as a corporation. For more information on entity classifications (including the rules for foreign entities), see the instructions for Form 8832.

If the answer to line 8a is "Yes," enter the number of LLC members. If the LLC is owned solely by a husband and wife in a community property state and the husband and wife choose to treat the entity as a disregarded entity, enter "1" on line 8b.

Do not file Form 8832 if the LLC accepts the default classifications above. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be

electing S corporation status, it must timely file Form 2553. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832. See the Instructions for Form 2553.

Line 9a. Type of entity. Check the box that best describes the type of entity applying for the EIN. If you are an alien individual with an ITIN previously assigned to you, enter the ITIN in place of a requested SSN.

This is not an election for a tax classification of an entity. See Disregarded entities on page 4.

Sole proprietor. Check this box if you file Schedule C, or Schedule F (Form 1040) and have a qualified plan, or are required to file excise, employment, alcohol, tobacco, or firearms returns, or are a payer of gambling winnings. Enter your SSN (or ITIN) in the space provided. If you are a nonresident alien with no effectively connected income from sources within the United States, you do not need to enter an SSN or ITIN.

Corporation. This box is for any corporation other than a personal service corporation. If you check this box, enter the income tax form number to be filed by the entity in the space provided.

If you entered "1120S" after the "Corporation" checkbox, the corporation must file Form 2553 no later than the 15th day of the 3rd month of the tax year the election is effect. Until Form 2553 has been received and

to take effect. Until Form 2553 has been received and approved, you will be considered a Form 1120 filer. See the Instructions for Form 2553.

Personal service corporation. Check this box if the entity is a personal service corporation. An entity is a personal service corporation for a tax year only if:

- The principal activity of the entity during the testing period (prior tax year) for the tax year is the performance of personal services substantially by employee-owners, and
- The employee-owners own at least 10% of the fair market value of the outstanding stock in the entity on the last day of the testing period.

Personal services include performance of services in such fields as health, law, accounting, or consulting. For more

information about personal service corporations, see the Instructions for Form 1120 and Pub. 542.

If the corporation is recently formed, the testing period begins on the first day of its tax year and ends on the earlier of the last day of its tax year, or the last day of the calendar year in which its tax year begins.

Other nonprofit organization. Check this box if the nonprofit organization is other than a church or church-controlled organization and specify the type of nonprofit organization (for example, an educational organization).

If the organization also seeks tax-exempt status, you must file either Form 1023 or Form 1024. See Pub. 557 for more information.

If the organization is covered by a group exemption letter, enter the four-digit group exemption number (GEN) in the last entry. (Do not confuse the GEN with the nine-digit EIN.) If you do not know the GEN, contact the parent organization. See Pub. 557 for more information about group exemption letters.

If the organization is a section 527 political organization, check the box for Other nonprofit organization and specify "section 527 organization" in the space to the right. To be recognized as exempt from tax, a section 527 political organization must electronically file Form 8871, Political Organization Notice of Section 527 Status, within 24 hours of the date on which the organization was established. The organization may also have to file Form 8872, Political Organization Report of Contributions and Expenditures. See www.irs.gov/polorgs for more information.

Plan administrator. If the plan administrator is an individual, enter the plan administrator's taxpayer identification number (TIN) in the space provided.

REMIC. Check this box if the entity has elected to be treated as a real estate mortgage investment conduit (REMIC). See the Instructions for Form 1066 for more information.

State/local government. If you are a government employer and you are not sure of your social security and Medicare coverage options, go to www.ncsssa.org/statessadminmenu. html to obtain the contact information for your state's Social Security Administrator.

Other. If not specifically listed, check the "Other" box, enter the type of entity and the type of return, if any, that will be filed (for example, "Common Trust Fund, Form 1065" or "Created a Pension Plan"). Do not enter "N/A." If you are an alien individual applying for an EIN, see the Lines 7a-b instructions on page 3.

- Household employer. If you are an individual that will employ someone to provide services in your household, check the "Other" box and enter "Household Employer" and your SSN. If you are a trust that qualifies as a household employer, you do not need a separate EIN for reporting tax information relating to household employees; use the EIN of the trust.
- Household employer agent. If you are an agent of a household employer that is a disabled individual or other welfare recipient receiving home care services through a state or local program, check the "Other" box and enter "Household Employer Agent." (See Rev. Proc. 80-4, 1980-1 C.B. 581; Rev. Proc. 84-33, 1984-1 C.B. 502; and Notice 2003-70, 2003-43 I.R.B. 916.) If you are a state or local government also check the box for state/local government.
- QSub. For a qualified subchapter S subsidiary (QSub) check the "Other" box and specify "QSub."
- Withholding agent. If you are a withholding agent required to file Form 1042, check the "Other" box and enter "Withholding Agent."

Disregarded entities. A disregarded entity is an eligible entity that is disregarded as separate from its owner for federal income tax purposes. Disregarded entities include single-member limited liability companies (LLCs) that are disregarded as separate from their owners, qualified subchapter S subsidiaries (qualified subsidiaries of an S corporation), and certain qualified foreign entities. See the Instructions for Form 8832 and Regulations section 301.7701-3 for more information on domestic and foreign disregarded entities.

For wages paid on or after January 1, 2009, the disregarded entity is required to use its name and EIN for reporting and payment of employment taxes. A disregarded entity is also required to use its name and EIN to register for excise tax activities on Form 637, pay and report excise taxes reported on Forms 720, 730, 2290, and 11-C, and claim any refunds, credits, and payments on Form 8849. See the instructions for the employment and excise tax returns for more information.

Complete Form SS-4 for disregarded entities as follows: If a disregarded entity is filing Form SS-4 to obtain an EIN because it is required to report and pay employment and excise taxes (see above) or for non-federal purposes such as a state requirement, check the "Other" box for line 9a and write "disregarded entity" (or "disregarded entity-sole proprietorship" if the owner of the disregarded entity is an individual).

- If the disregarded entity is requesting an EIN for purposes of filing Form 8832 to elect classification as an association taxable as a corporation, or Form 2553 to elect S corporation status, check the "Corporation" box for line 9a and write "single-member" and the form number of the return that will be filed (Form 1120 or 1120S).
- If the disregarded entity is requesting an EIN because it has acquired one or more additional owners and its classification has changed to partnership under the default rules of Regulations section 301.7701-3(f), check the "Partnership" box for line 9a.

Line 10. Reason for applying. Check only one box. Do not enter "N/A." A selection is required.

Started new business. Check this box if you are starting a new business that requires an EIN. If you check this box, enter the type of business being started. Do not apply if you already have an EIN and are only adding another place of business.

Hired employees. Check this box if the existing business is requesting an EIN because it has hired or is hiring employees and is therefore required to file employment tax returns. Do not apply if you already have an EIN and are only hiring employees. For information on employment taxes (for example, for family members), see Pub. 15 (Circular E).

You must make electronic deposits of all depository taxes (such as employment tax, excise tax, and corporate income tax) using EFTPS. See Federal tax deposits must be made by electronic funds transfer on page 1;

section 11, Depositing Taxes, in Pub. 15 (Circular E); and Pub. Banking purpose. Check this box if you are requesting an EIN for banking purposes only, and enter the banking purpose

(for example, a bowling league for depositing dues or an investment club for dividend and interest reporting). Changed type of organization. Check this box if the business is changing its type of organization. For example, the business was a sole proprietorship and has been incorporated or has become a partnership. If you check this box, specify in

the space provided (including available space immediately

below) the type of change made. For example, "From Sole

Proprietorship to Partnership.' Purchased going business. Check this box if you purchased an existing business. Do not use the former owner's EIN unless you became the "owner" of a corporation by acquiring its stock.

Created a trust. Check this box if you created a trust, and enter the type of trust created. For example, indicate if the trust is a nonexempt charitable trust or a split-interest trust.

Exception. Do not file this form for certain grantor-type trusts. The trustee does not need an EIN for the trust if the trustee furnishes the name and TIN of the grantor/owner and the address of the trust to all payers. However, grantor trusts that do not file using Optional Method 1 and IRA trusts that are required to file Form 990-T, Exempt Organization Business Income Tax Return, must have an EIN. For more information on grantor trusts, see the Instructions for Form 1041.

Do not check this box if you are applying for a trust EIN when a new pension plan is established. Check "Created a pension plan."

Created a pension plan. Check this box if you have created a pension plan and need an EIN for reporting purposes. Also, enter the type of plan in the space provided.

Check this box if you are applying for a trust EIN when a new pension plan is established. In addition, check the "Other" box on line 9a and write "Created a Pension Plan" in the space provided.

Other. Check this box if you are requesting an EIN for any other reason; and enter the reason. For example, a newly-formed state government entity should enter "Newly-Formed State Government Entity" in the space provided.

Line 11. Date business started or acquired. If you are starting a new business, enter the starting date of the business. If the business you acquired is already operating, enter the date you acquired the business. For foreign applicants, this is the date you began or acquired a business in the United States. If you are changing the form of ownership of your business, enter the date the new ownership entity began. Trusts should enter the date the trust was funded. Estates should enter the date of death of the decedent whose name appears on line 1 or the date when the estate was legally funded.

Line 12. Closing month of accounting year. Enter the last month of your accounting year or tax year. An accounting or tax year is usually 12 consecutive months, either a calendar year or a fiscal year (including a period of 52 or 53 weeks). A calendar year is 12 consecutive months ending on December 31. A fiscal year is either 12 consecutive months ending on the last day of any month other than December or a 52-53 week year. For more information on accounting periods, see Pub. 538.

Individuals. Your tax year generally will be a calendar year.

Partnerships. Partnerships must adopt one of the following tax years.

- The tax year of the majority of its partners.
- The tax year common to all of its principal partners.
- The tax year that results in the least aggregate deferral of
- In certain cases, some other tax year.

See the Instructions for Form 1065 for more information.

REMICs. REMICs must have a calendar year as their tax year.

Personal service corporations. A personal service corporation generally must adopt a calendar year unless it meets one of the following requirements.

- It can establish a business purpose for having a different tax year.
- It elects under section 444 to have a tax year other than a calendar year.

Trusts. Generally, a trust must adopt a calendar year except for the following trusts.

- Tax-exempt trusts.
- Charitable trusts.
- Grantor-owned trusts.

Line 13. Highest number of employees expected in the next 12 months. Complete each box by entering the number (including zero ("-0-")) of "Agricultural," "Household," or "Other" employees expected by the applicant in the next 12 months.

If no employees are expected, skip line 14.

Line 14. Do you want to file Form 944? If you expect your employment tax liability to be \$1,000 or less in a full calendar year, you are eligible to file Form 944 annually (once each year) instead of filing Form 941 quarterly (every three months). Your employment tax liability generally will be \$1,000 or less if you expect to pay \$4,000 or less in total wages subject to social security and Medicare taxes and federal income tax withholding. If you qualify and want to file Form 944 instead of Forms 941, check the box on line 14. If you do not check the box, then you must file Form 941 for every quarter.

For employers in the U.S. possessions, generally, if you pay \$6,536 or less in wages subject to social security and Medicare taxes, you are likely to pay \$1,000 or less in employment taxes.

For more information on employment taxes, see Pub. 15 (Circular E); or Pub. 51 (Circular A) if you have agricultural employees (farmworkers).

Line 15. First date wages or annuities were paid. If the business has employees, enter the date on which the business began to pay wages or annuities. For foreign applicants, this is the date you began to pay wages in the United States. If the business does not plan to have employees, enter "N/A.

Withholding agent. Enter the date you began or will begin to pay income (including annuities) to a nonresident alien. This also applies to individuals who are required to file Form 1042 to report alimony paid to a nonresident alien. Line 16. Check the one box on line 16 that best describes the principal activity of the applicant's business. Check the "Other" box (and specify the applicant's principal activity) if none of the listed boxes applies. You must check a box

Line 17. Use line 17 to describe the applicant's principal line of business in more detail. For example, if you checked the "Construction" box on line 16, enter additional detail such as "General contractor for residential buildings" on line 17. An entry is required. For mortgage REITs indicate mortgage REIT and for equity REITs indicate what type of real property is the principal type (residential REIT, nonresidential REIT, miniwarehouse REIT).

A: SALES AND USE TAXES

This area is used to register for Sales and Use Taxes. A separate section needs to be completed for each location. If your business has more than two locations, page 2 of Form R-1 may be copied and used for the additional locations.

The filing frequency for sales and use tax is monthly, unless you are otherwise notified. The filing frequency is determined by Department of Taxation (Department) and revised annually.

- Check the box if you do not need forms mailed to you. (For example, if you use software to generate your tax returns, you may not need the forms mailed to you.)
- Line 1 Check the box to indicate your filing option
 - a. Check this box if you want to file a combined return for all business locations in the same locality. Any business that has two or more business locations within the same locality may elect to file a single combined return to report and remit sales and use tax for all locations within that locality. However, this election does not eliminate the requirement that a certificate of registration be obtained for each business location.
 - b. Check this box if you want to file a consolidated return for all business locations. Any business that has five or more business locations in two or more localities may request permission to file a consolidated return to report and remit sales and use tax for all locations.

The election to file a consolidated return does not eliminate the requirement that a certificate of registration be obtained for each business location.
 - c. Check this box if you want to file a separate return for each location. This is where a business elects to file a separate return for each business location to report and remit sales and use tax for that location only.

Section III - Responsible Party(ies)

Under Section 58.1-1813 of the *Code of Virginia*, any corporate, partnership or limited liability officer may be held personally liable for unpaid taxes assessed against a corporation or partnership. The term "corporate, partnership or limited liability officer" includes any officer or employee of a corporation, or a member, manager or employee of a partnership or limited liability company, who

is under a duty to collect, account for and pay the assessed tax, who had knowledge of the failure to pay the tax, and who had the authority to prevent the failure.

- This section must be completed for each "corporate, partnership or limited liability officer" as defined above.

Section IV - Electronic Funds Transfer

Electronic Funds Transfer (EFT) involves the transfer of funds from your bank account to the State's bank account. Over the last several years, many taxpayers have voluntarily chosen this efficient and cost effective method for making their tax payments. Currently this program is only available for Sales and Use Tax, Employer Withholding Tax, and Corporation Income Tax.

If your monthly tax liability for any one of these taxes exceeds \$20,000, you are required by law to pay by EFT. For consolidated sales tax accounts, EFT is required when the total liability of all subsidiaries exceeds \$20,000 as reported by the parent company.

Effective July 1, 2004, all persons who act on behalf of 100 or more taxpayers to remit individual income tax withholding payments imposed pursuant to Section 58.1-460 et seq. of the Code of Virginia are required to remit such withholding to the Virginia Department of Taxation using ACH Credit transactions. For further information, refer to the agency's Electronic Funds Transfer guide, which can be downloaded from www.tax.virginia.gov.

The Department of Taxation encourages all businesses to voluntarily transmit their tax return payments by EFT. Payments are submitted directly to the Tax Department's bank from your business bank account. EFT not only saves check writing and mailing costs, but also ensures that your payment is made without the worry of a check being lost in the mail.

To learn more about taking advantage of electronic payment and filing processes, visit www.tax.virginia.gov. or contact Customer Service at 804-367-8037.

- If you are required to pay by EFT, check the box for each tax that EFT is required.
- If you are not required to pay by EFT, but would like to use this
 payment method, check the box to receive an EFT Guide.

This section must be completed.

Read the statement and complete the section if you are authorized to sign the application as defined in the statement. If not authorized to sign, have the application signed and dated by an authorized person. Unsigned or improperly signed applications will be returned, unprocessed.
