- Information from the VSCPA Leadership Summit Kevin Stewart discussed his attendance of the event. With \$4 million in assets and only \$600k of liabilities, it appears that the VSCPA had a good year. We discussed that we should increase our dialogue with the VSCPA by inviting Stephanie Peters and/or Maureen Dingus (the COO) to our next board meeting. Is there a potential to offer our members more formats to our CPE events (ex. Remote access, possible assistance from the VSCPA). VSCPA "Connect" could be used for Leadership to share ideas between Chapters and expand our speaker pool.
- Young CPA Committee Discussion: Jackie Fox and Ashley Sullivan are interested in being on the committee. Brian offered to take the lead on Student Night and a possible bowling night.
- Holiday Cocktail Event A potential holiday event for TCVSCPA members was discussed.
 Possible venues discussed included Town Center City Club or Top Golf. Angie to call for pricing of the venues.
