Topic and Speaker

Four-hour CPE will cover

**Multi-State Taxation and Sales Tax Nexus of
Business (Part 2)**

Speaker: Ed Zollars-Kaplan Financial Education

The change in fundamentals from a "presence-based" tax system to an "economic opportunity-based" tax structure requires CPAs to understand state and local tax issues. This webinar explains and illustrates how to avoid becoming subject to excessive state taxation, and covers the following topics:

- Nexus, situs of property, and internet commerce
- Withholding tax treatment of mobile and remote employees
- Common differences of federal versus state
- Tax issues involving intellectual property sales across state lines
- Taxation of internet-based transactions
- Sales and use taxes, including an update on changes in sales tax nexus
- Multi-state Tax Commission and UDITPA initiatives on apportionment calculation
- Current developments in multi-state taxation
